Gold Level (Strategic Programmes)

Welcome to the **Gold** level of your career pathway. This level is for those either working in or working towards Strategic positions within security. Programmes at this level are designed for those with existing experience of management, looking to take their leadership and subject-matter expertise to the highest levels. As many of the courses within this banding are specialist, studying for **Gold** (Strategic) programmes means you can leverage your developed knowledge and skills in order to contribute to a developing academic field and offering researched recommendations to address a range of complex security and risk related challenges.

Training to consider at **Gold** level...

- ✓ The Security Institute Advanced Diploma in Security Management Level 7 (QNUK Endorsed)
- ✓ MSc International Security and Risk Management
- ✓ Crime Prevention and Security Design SRF BTEC Level 5
- ✓ ASIS CPP/PSP
- ✓ Any Advanced BTEC Level 4/5 Tavcom Training Course

PerpetuityARC Training's range of strategic programmes offer globally-recognised, tutor-supported accreditations upon successful completion of assessment. Studying for accredited qualifications demonstrates that you are committed to enhancing your own knowledge of security principles and best practices, whilst opening doors to higher-levels of employment.
