

Security Management

This security management training course is an essential exploration of the key ideas, techniques and concerns at the heart of professional security management today.

Delivered either online, virtually, or in the classroom, successful learners leave with a BTEC Level 4 Award in Security Management. This is an internationally-recognised qualification, supporting your career development and promotion opportunities. Past learners of this course have gone on to complete other qualifications to further their career, and to boost credibility in this competitive industry.

During the course, you will take a comprehensive look at the responsibilities, resources and skills that are central to providing effective security management. From identifying issues, understanding theories about risk, and isolating causes and prevention of crime, this qualification in security management is the ideal course for anyone wishing to develop their career in the security industry.

You will receive support during the course, and our academic team can provide additional support should you need it after the training. Assessment is based on completion of the course workbook, which is used to support a written assignment

WHO WILL BENEFIT

The course will benefit those working as security managers or those seeking to make a career in security management.

COURSE INFORMATION

QUALIFICATION

SRF BTEC Level 4

Assessment for this security management training course is based on completion of the course workbook, which is used to support a written assignment that is completed post-course. Because there is no exam to sit, you can take your time to consider the best way to complete the coursework.

Core content

Learning is delivered through group discussion, desk top exercises, and expert guidance from the course tutor. As a result, training is engaging and challenges you to think in different ways. You'll cover:

- Role of the security manager
